

Press Release

Inspired by the **Hon'ble Chief Minister, Mamata Banerjee**, the fourth phase of the **Pathashree-Rastashree** project has initiated the construction of over **20,000 kilometers** of roads in the State's rural and urban areas. This will benefit the people of more than **35,000 villages** and **128 municipal areas** in the State. Since 2020, the State Government has constructed over **59,500 kilometers** of roads across the four phases of this project, spending a total of **Rs. 19,400 crore**.

Furthermore, since 2011, a total of **1,83,084 kilometers** of state highways, rural roads, and other roads have been constructed and repaired across the state, spending over **Rs. 83,000 crore** in total.
